

Nafiseh Nikeghbal

 nafisenik |  nafiseh-nikeghbal |  nafiseh.nikeghbal@tum.de |  (+49)17656530075

Education

- 10/2024–Present **Technical University of Munich (TUM)**, Munich, Germany.
Ph.D. candidate in Computer Science
supervisor: Dr. Jana Diesner
- 10/2021–10/2023 **Sharif University of Technology (SUT)**, Tehran, Iran.
Master of Science in Computer Engineering
CGPA: **19.80/20** (4/4)
- 10/2016–10/2021 **Ferdowsi University of Mashhad (FUM)**, Mashhad, Iran.
Bachelor of Science in Computer Engineering
CGPA: **17.23/20**, GPA in last 2.5 years: **19.09/20** (3.95/4)

Research Interests

- AI Safety
- Natural Language Processing
- Societal bias in AI
- Computational Social Science

Teaching

- 04/2025–present **Teaching Practical Course(3X)**, *Technical University of Munich*.
- For M.Sc Students
 - Designed and supervised team projects in natural language processing, network science, machine learning, and AI, guiding students from problem formulation through implementation and evaluation.
- 10/2024–present **Teaching Quantitative Methods (4X)**, *Technical University of Munich*.
- For M.Sc Students
 - This course covers descriptive and inferential statistics for data analysis, combining theory with hands-on practice. Students will learn to summarize data, conduct hypothesis tests, and apply various statistical analyses using R and Python.

Honor and Awards

- 2024 Ranked 2nd in M.Sc. cumulative GPA among 23 Software Engineering students and 6th among 136 Computer Engineering students at SUT, 2021 beginners.
- 2021 Ranked 54th in the Iranian nationwide university entrance exam for Computer Engineering, competing against 14,582 candidates.
- 2022 Ranked in the top 10% in B.Sc. cumulative GPA among Computer Engineering students at FUM, 2016 beginners.

Skills

PLs	Python, Java, C
Libs and FWs	Pytorch
Others	Git, L ^A T _E X
Languages	Persian (native), English (Professional working proficiency), German (A1)
